Dear <member_title>< member_surname>

In August we wrote to you about the balance of your original account in Asgard Employee Super Account moving to MySuper in November 2016.

We wanted to let you know we are deferring the move to MySuper until the first half of 2017. This will allow us to adjust the cash balance requirement, as part of the MySuper investment strategy.

What does this mean for you?

Your super will stay invested as it is now and none of the changes that we told you about in August will take place in November. We'll write to you again in January 2017 to confirm the new timing of the move to MySuper and provide you with an updated package of information including what you need to do.

However, if you decide you want to move to MySuper or another investment option before then, you can do so by contacting your financial adviser or calling us.

Either way, you now have more time to consider your options and seek advice if you wish.

We're here to help

We apologise for the change in timing and hope this hasn't inconvenienced you. If you have any questions, speak to your financial adviser or call our Customer Relations team on 1800 998 185 between 8.30am and 8.00pm (Sydney time) Monday to Friday or email us at asgard.investor.services@asgard.com.au.

Yours sincerely,
