You must indicate your residency status for tax purposes on your application. If you're a non-resident investor, some or all of the information above may not apply to you. Please see your taxation consultant if your residency status changes after you invest through eWRAP Investment. You must notify us as soon as possible if this occurs.

The 'TFNs' section on page 21 is deleted and replaced with:

1. Your investment options

Through eWRAP Investment, you have access to managed investments, listed securities and term deposits. By diversifying your investments and investing for an appropriate timeframe, you may reduce the risks associated with your investment.

The 'List of Available Investment Options booklet' specifies all the managed investments available through eWRAP Investment. You can access this list through your financial adviser or by calling Customer Relations. You can also invest in most CHESS-approved listed securities on the Australian Securities Exchange (ASX) (with the exception of mFund products¹ and exchange traded Australian Government Bonds).

Investment options

About managed investments

Managed investments (also known as managed funds) give you access to the investment expertise of professional investment teams. Your money is pooled with that of other investors, which enables you to invest in a broader range of assets. You have access to well-researched managed investments that would not normally be available to you if you were investing as a retail client.

You can choose to invest in a managed investment that concentrates on one particular asset class, or structure your managed investments so that you invest in a combination of asset types. The diversification you achieve by investing in a number of managed investments can reduce the risk to your portfolio because you are not relying on the performance of one particular asset or asset class.

About listed securities

Listed securities are generally bought and sold on a stock exchange through a broker. The returns from listed securities may include capital growth or loss and, depending on the security, income through dividends. Listed securities will generally offer the potential for the highest returns of all asset sectors over the medium to long term. However, listed securities also exhibit the highest fluctuations in values in the short term. The return achieved will be influenced by factors such as company performance and earnings, interest rates and the general economic outlook.

About term deposits

When you invest in a term deposit, your money is invested for a fixed term and you receive a fixed rate of interest over that term.

How to decide which investments are best for you

Before investing, you need to carefully consider how much of your money you are prepared to risk in order to receive potential gains. Your financial adviser can help you choose the right investment strategy to match your tolerance to risk, investment goals and timeframe. It is recommended that you regularly review your investment strategy with your financial adviser to accommodate changes in your circumstances or market conditions over time.

Before you make any decision in relation to your investments, you must receive from us a copy of the product disclosure statement or other disclosure document (if any) for any new investments, unless there is no requirement for such a document to be provided by us in paper form (for example, the relevant information may be able to be provided to you electronically through Investor *Online*) or in another way. You have a right to receive these disclosure document(s) free of charge from your financial adviser or us. Ask your financial adviser if you have any questions about the relevant investments in terms of whether they suit your financial objectives, situation and needs (including fees and risk/return) before deciding to invest.

Understanding asset classes

Choose from an extensive range of managed investments, including investments from the different asset classes of cash, fixed interest, shares and property, as well as multi-sector (diversified) funds managed by some of Australia's leading investment managers. Further information on the various asset classes can be found in this section under 'Categories'.

The managed investments available through your account may invest in one or more of the following asset classes:

Asset class	Classification
Cash Fixed interest Mortgages	Income
Australian shares International shares	Equity
Property securities	Property

The 'List of Available Investment Options booklet' provides details of the available managed investments that tend to

¹ An mFund product is an unlisted managed fund admitted for settlement under the ASX Operating Rules and available to investors through the mFund Settlement Service. mFund products are not currently available through eWRAP.

invest exclusively (or almost exclusively) in one of these asset classes. They are grouped into three specialist categories: income, equity and property. In addition, there are multisector managed investments available, which invest across a range of asset classes.

You have the option to invest in managed investments from each category in order to create a diversified portfolio. Each category offers a choice of managed investments from many of Australia's leading investment managers.

If you would like to know more about the features of a specific managed investment, consult your financial adviser and the relevant product disclosure statement (PDS) which you can access through Investor *Online*. You can also obtain a copy of these disclosure documents free of charge from your financial adviser or by contacting Customer Relations.

Investing your money

eWRAP Investment gives you access to cash, managed investments, term deposits and listed securities and the flexibility to change and mix your investments as your needs change.

There is no 'default' investment option in eWRAP Investment. If no investment option is nominated in the application process, all funds will remain in your Cash Account until you or your financial adviser (on your behalf) submits an instruction as to where the funds are to be invested. You can obtain the 'List of Available Investment Options booklet' from your financial adviser or by contacting Customer Relations.

Changing your investments

With eWRAP Investment, you can change your mix of managed investments and listed securities at any time, quickly and easily, as your needs or investment markets change. If you have a financial adviser, they can help you choose which managed investments, term deposits and listed securities to buy and sell. Your financial adviser places your investment instructions online via AdviserNET, or if you don't have a financial adviser, you can submit these investment instructions directly to us.

Changes to your investments may not be implemented in certain circumstances, such as where we are not reasonably satisfied that you have been given or have access to a copy of the current PDS or other disclosure document for the relevant managed investment, which is not defective, or information about material changes or significant events that affect the managed investment.

Consequences of changing your investments

The sale of some or all of your managed investments or listed securities held through your eWRAP Investment account may result in a capital gain or capital loss that will affect the amount of tax paid in relation to your account. You may also be charged transaction costs – that is, buy/sell differentials charged by the investment managers or share brokerage. Refer to the 'Fees and other costs' section in the Guide for more information.

2. How your account works

This section provides information about how your account works. In particular, it outlines information about:

- A. Opening your account
- B. Your financial adviser
- C. Your Cash Account
- D. Transacting in term deposits
- E. Transacting in managed investments
- F. Transacting in listed securities
- G. Rebalancing your account
- H. Margin lending
- I. Closing your account

A. Opening your account

If you have a financial adviser, they can help you to complete the application and select your investments. If you don't have a financial adviser you can complete an application form and submit it directly to us.

Your financial adviser can also help you to:

- choose your Cash Account option (see the Cash Account PDS)
- decide what level of authority you'll give them to operate your account
- negotiate the fees they'll receive for services in relation to your account, and
- set up your account for share trading if you want listed securities included in your portfolio, and nominate a Custodial or Sponsored share account.

If you are opening an eWRAP Investment account with an eCASH account, your financial adviser can submit your application to us electronically using AdviserNET.

You can use your account once:

- your application has been accepted by us
- your Cash Account has been opened, and
- a deposit has been made into your Cash Account.

Your account will need to be activated before you can access Phone and Internet Banking (provided you are eligible) and trade listed securities through your account. For more information, refer to 'Activating your account' in this section. By opening an eWRAP Investment account, you agree to receive ongoing communications from us electronically through Investor *Online*.

Processing your application

On accepting your application, we'll:

- open your eWRAP Investment account
- liaise with St.George to open your Cash Account
- send you a welcome letter to confirm your eWRAP Investment account and Cash Account details and
- send you a Personal Identification Number (PIN) to access Investor *Online*.

For security purposes, we'll send your PIN separately to your welcome letter.

Activating your account

You won't be able to trade listed securities or have access to Phone and Internet Banking (if required) on your Cash Account until you've accepted all the terms and conditions and your account is activated.

We'll automatically activate your account on your behalf if you complete a paper-based eWRAP Investment application and post it to us. If your financial adviser submits your application electronically to us using AdviserNET you will need to activate your account by logging into Investor *Online* (once you receive your welcome letter and PIN from us) and accept the terms and conditions. Submitting applications electronically is only available if you select eCASH as your Cash Account.

B. Your financial adviser

If you have a financial adviser, all buying and selling of term deposits, managed investments and listed securities must take place through them.

Some of the features described in this Booklet may not be available to you if you don't have a financial adviser or if you choose to remove your financial adviser from your account. For more information, see 'What will happen if you no longer have a financial adviser' in the 'General information' section in the Guide.

C. Your Cash Account

Your Cash Account is the central component of your eWRAP Investment account. Your Cash Account is used to settle all buys and sells of investments.² We pay income distributions from managed investments and dividends from your listed securities (if you have the Custodial share account set up), directly into your Cash Account (see 'Income distributions' and 'Share dividends' in this section for more information). If you have a Sponsored share account set up, you can also direct the share registries to pay dividends directly into your Cash Account.

Interest is calculated on the daily closing balance and credited to your Cash Account each month. The interest rate is variable and may change at any time. You can check the

current Cash Account interest rates on Investor *Online* or with your financial adviser.

Opening a Cash Account

When you open an eWRAP Investment account, you can select (on the eWRAP Investment application form) whether you want your Cash Account to be an eCASH account or a CASH Connect account. You can only have one Cash Account linked to your eWRAP Investment account. For more information on the Cash Account options, please refer to the Cash Account PDS.

When processing your eWRAP Investment application, we'll ask St.George to open a Cash Account for you. When your Cash Account has been opened and activated (refer to 'Activating your account' in this section), St.George will send you a welcome letter advising:

- your Phone and Internet Banking Access Number, and
- instructions on how to create your own Phone and Internet Banking Password.

If your Cash Account is a CASH Connect account, provided you are eligible, you will also receive your cheque book from St.George.

The St.George welcome letter does not include the Password or Security Number. For security purposes, they'll send your Phone and Internet Banking Security Number in a separate letter. For joint or company CASH Connect accounts where the method of operation is specified as 'two to sign', St.George will not issue a welcome letter as Phone and Internet Banking are not available.

Linking your Cash Account to other bank accounts to facilitate cash transfers

You need to provide us with details of another account with a financial institution that is held in the same name as your eWRAP Investment account. We refer to this bank account as your 'Nominated Account'. Your Cash Account cannot be set up without a Nominated Account.

In addition to specifying a Nominated Account, you can provide details of other financial institution accounts to which you would like to transfer funds. We refer to these accounts as 'external linked accounts'. If you have a financial adviser they can transfer funds for you via AdviserNET. If you don't have a financial adviser, you can instruct us to transfer funds by completing the applicable form. You can set up external linked accounts on your eWRAP Investment application or by completing a 'Nominated or external linked account amendment' form and returning it to us.

You can transfer funds to both the Nominated Account and external linked accounts using Internet and Phone Banking.

Deposits and withdrawals from your Cash Account

Please refer to the Cash Account PDS for the range of deposit and withdrawal options available to you along with the clearance times and daily withdrawal limits that apply.

Any funds to be deposited are automatically credited to your Cash Account. Once the funds have cleared (refer to the Cash Account PDS for clearance times applying to the different deposit options), they will remain in your Cash Account:

- until we receive investment instructions from you or your financial adviser
- until we deduct fees and other costs
- unless you have elected to automatically invest excess cash, or
- unless you elected to auto-rebalance your managed investments including cash.

Maintaining a minimum balance in your Cash Account

You must maintain a minimum balance of \$1,000 in your Cash Account to cover fees and other costs. You can monitor your Cash Account balance by regularly checking the details of your account on Investor *Online* or on Internet Banking.

When your Cash Account balance is close to or less than the minimum, you may wish to deposit additional funds into your account. You or your financial adviser can also instruct us to sell specific managed investments or listed securities. The sale proceeds will be paid into your Cash Account.

If you don't top up your Cash Account balance, we have the right to sell managed investments using one of the following methods.

Priority sell method

You can nominate a standing priority sell instruction on your managed investments specifying the order in which your managed investments will be sold.

Example

John's Cash Account balance is currently \$100. A fee of \$200 is about to be deducted from John's account. We need to sell managed investments to the value of \$1,100 to restore his Cash Account balance to the minimum \$1,000 required and to fund the outstanding fee of \$200. John has set up a priority sell instruction to sell managed investment A, followed by managed investment B. Managed investment A has a value of \$800 and managed investment B has a value of \$500. To restore the Cash Account balance, we'll sell all of managed investment A (\$800) and some of managed investment B (\$300).

Default sell method

We use the default sell method if we've not received any priority sell instructions from you, or if the net value of managed investments you nominated under the priority sell instruction are insufficient. Under the default sell method, we'll endeavour to sell your managed investments in proportion to their estimated current value, subject to price and market changes that may occur during the selling process.

If the value of managed investments in your account is insufficient, we reserve the right to transfer any listed securities held in your account from your ownership to ours, or to sell any listed securities held in your account through a broker of our choice, in order to recover any outstanding fees and other costs.

Example

The balance in Penny's Cash Account is \$200. A fee of \$300 is about to be deducted from Penny's account.

We need to sell managed investments to the value of \$1,100 to restore her Cash Account balance to the minimum \$1,000 required and to fund the outstanding fee of \$300. 80% of Penny's account value is in managed investment A and 20% in managed investment B. There's no priority sell instruction in place. Using the default sell method, we'll sell from each managed investment proportionately as follows:

Managed investment A: 80% of \$1,100 = \$880

Managed investment B: 20% of \$1,100 = \$220

Total: \$1,100

Automatically invest excess cash

To help you manage your Cash Account balance, you and your financial adviser can select a minimum and/or maximum target Cash Account balance. You can select either a dollar or a percentage value of your account balance. The automatic cash management process is run monthly. If your Cash Account balance exceeds your specified maximum, we will automatically invest the excess balance according to your instructions.

Automatic cash management can be established and maintained online using AdviserNET by your financial adviser, or if you don't have a financial adviser, by completing the applicable form.

D. Transacting in term deposits

A range of term deposits are offered through eWRAP Investment with a selection of interest rates and terms. Your financial adviser (if you have one) can instruct us via AdviserNET to purchase term deposits on your behalf. If you don't have a financial adviser, you can instruct us to purchase term deposits by completing the applicable form.

At maturity, the proceeds from the term deposit (including interest payments) are paid into your Cash Account. We will aim to notify you or your financial adviser (if you have one) a few weeks before your term deposit is due to mature.

Funds cannot be withdrawn from a term deposit before the term ends.

For information on applicable term deposit terms, conditions and restrictions, refer to the relevant term deposit disclosure document, which you can obtain from your financial adviser, from Investor *Online* or by calling Customer Relations.

E. Transacting in managed investments

Buying managed investments

If you have a financial adviser they can submit investment instructions to us via AdviserNET. If you don't have a financial adviser you can submit these instructions directly to us by completing the applicable form.

Your investment instructions will generally be placed with the investment manager on the following business day (a weekday on which banks and the ASX are open for business in Sydney).

The minimum buy amount is \$100 per managed investment each time a buy instruction is submitted. This applies to both one-off buys and regular buys.

Before an instruction to buy managed investments is submitted, you must receive a product disclosure statement for the managed investments you are purchasing. These product disclosure statements are available free of charge from your financial adviser or by calling Customer Relations, and existing investors can access them through the PDS link on Investor *Online*.

If you instruct us to buy a managed investment and there is a pending transaction in place (such as a previous purchase or sale request), we will not place the investment instruction with the investment manager until the pending transaction has cleared.

Please note that if you don't reside in Australia, we may decide not to accept any instructions from you or your financial adviser to buy managed investments.

What happens if there are insufficient funds to fund the investment instruction?

We cannot process your investment instructions if there are insufficient funds in your Cash Account. In that event, we'll check the balance in your Cash Account each day until the expiry date set for the buy instruction.

The expiry date for your managed investment instructions will automatically default to 28 days (your financial adviser can decrease it to a minimum of zero days or increase it to a maximum of 56 days). If sufficient funds become available before an expiry date, we will automatically place your buy instructions with the investment manager(s).

We record instructions to buy managed investments in order of date. Where you have a number of outstanding instructions, we will process them in the order of the oldest transaction first and then in descending amount order as sufficient cash becomes available in your Cash Account,

which means the instructions may not necessarily be processed in the order in which they were placed.

You can monitor the progress of your managed investment buy instructions by viewing the 'Account Actions' menu on Investor *Online*.

Regular buy

You can arrange a regular buy of a dollar amount of one or more managed investments held through your account. We'll fund regular buys through your Cash Account. You can nominate the:

- amount
- start date
- frequency, and
- optional end date.

This can be arranged with the help of your financial adviser, or if you don't have a financial adviser, by completing the applicable form.

The regular buy instruction will be initiated on the nominated date (or the following business day if the nominated date falls on a non-business day). If there are insufficient funds in your Cash Account at the time the regular buy is to occur, the regular buy instruction will fail and you or your financial adviser will be notified. You will also be notified of a regular buy instruction failure when you log on to Investor *Online* and view the Account Actions menu. The regular buy instruction will be initiated again on the next nominated date for the original nominated amount.

Your regular buy can be amended or cancelled by your financial adviser using AdviserNET, or if you don't have a financial adviser, by completing the applicable form.

When a regular buy instruction is set up on your account, you acknowledge and agree that when we make further investments on your behalf into a managed investment in which you already have an investment, you may not have received:

- the current PDS for the managed investment, or
- information about material changes and significant events that affect the managed investment (that the responsible entity of the managed investment is required to give a person who acquired an interest in the managed investment directly, unless exceptions apply).

Transferring managed investments into your account

To transfer managed investments into your account, complete and send the following forms to your current IDPS operator (if applicable):

- in-specie transfer request cover sheet

- Australian Standard Transfer Form for each managed investment you're transferring
- closure form to close your account with your existing IDPS operator.

You'll also need to complete and send to us a Transfer of managed investments – transfer authority form including the tax history for each managed investment you're transferring.

All of these forms are available from your financial adviser or by contacting Customer Relations, with the exception of the closure form, which can be obtained from your current IDPS operator.

We can only transfer managed investments to your account if all the relevant historical information is provided in the Transfer of managed investments – transfer authority form. Your financial adviser will help you obtain the relevant information from your current IDPS operator and complete these forms. We'll send you or your financial adviser a confirmation notice once the entire transfer is completed.

Valuations

The managed investments in your account are generally valued daily by investment managers and we record and use the valuations they provide for reporting and other purposes. Refer to the individual managed investment PDS for details on unit pricing.

The Portfolio Valuation screen on Investor *Online* shows the most current valuations on your account.

Income distributions

Income distributions from managed investments will be credited to your Cash Account. You may choose to keep them as cash, or instruct us to use distributions from particular managed investments to buy further units in those managed investments. You cannot take part in any distribution reinvestment plan offered by investment managers.

If you have a financial adviser they can set up and change your income distribution option for you via AdviserNET. If you don't have a financial adviser you can submit these instructions directly to us by completing the applicable form.

At the time the income is reinvested into any managed investments, you can access the current PDS and any Supplementary PDS for those managed investments from the PDS link on Investor *Online*.

The Account Summary and Transaction Details screens on Investor *Online* show a summary of the income distributions you have been paid.

How distributions affect your account

After the end of the 31 December, 31 March and 30 September quarters, investment managers generally make a distribution of fund income to investors. After the end of the financial year (30 June), investment managers generally make a distribution of fund income and capital gains to investors.

This means that following the end of the quarter, you may notice a drop in the value of your managed investments. The size of the drop for each investment is generally related to the size of the distribution the manager of that managed investment pays to the unit holders.

However, it can take a number of weeks before we receive the distribution and pass it on to you. During this time, it may appear that your account has dropped in value but this should be temporary and will be rectified once the distribution has been credited to your account.

The important thing to remember is, with the exception of any market movements, generally the value of your account will return to what it was at the end of the quarter, once the distribution is credited to your account.

Selling managed investments

The minimum sell amount is \$100 per managed investment.

If the sell amount is 95% or more of the value of your entire holding in a managed investment, we will sell your entire holding in that managed investment and credit the proceeds to your Cash Account.

If you have a financial adviser they can submit sell instructions online via AdviserNET. If you don't have a financial adviser you can submit these instructions directly to us by completing the applicable form. The time it takes for an investment manager to process a sell instruction for a managed investment can vary.

Generally, sells are processed within seven business days unless suspended or frozen for any reason. The individual managed investment's PDS contains details of withdrawal restrictions. When we receive the proceeds from the investment manager, we will credit those funds into your Cash Account.

If you instruct us to sell a managed investment and there is a pending transaction in place (such as a previous purchase or sale request), we will not place the investment instruction with the investment manager until the pending transaction has cleared.

Selling managed investments initiated by us

In addition to any other rights we may have, you authorise and instruct us to sell managed investments held in your account without your permission if we determine for any reason that:

- we can no longer administer or hold a managed investment, or
- you are in default of any of your obligations under any terms and conditions.

You agree that we may opt to sell your managed investments as if we had received an instruction from you to do so, to the extent necessary. You further agree not to vary this instruction.

Regular sell

If you have a financial adviser they can arrange a regular sell of a dollar amount from one or more managed investments held through your account every month or quarter. If you don't have a financial adviser you can submit these instructions directly to us by completing the applicable form. You can nominate the:

- amount
- start date
- frequency, and
- optional end date.

We will initiate the sell on the nominated date (or the following business day if the nominated date falls on a non-business day). When we receive the proceeds from the investment manager, we will credit those funds into your Cash Account.

If the specified sell amount is 95% or more of the value of your entire holding in a managed investment, we'll sell your entire holding in that managed investment and credit the proceeds to your Cash Account.

If you have a financial adviser they can amend or cancel your regular sell at any time via AdviserNET. If you don't have a financial adviser you can amend or cancel your regular sell by completing the applicable form and submitting it to us.

Illiquid or suspended managed investments

Illiquid managed investments

Generally, we consider a managed investment to be illiquid if it cannot be converted to cash in less than 30 days. A managed investment may also be illiquid if converting it to cash within 30 days would have a significant adverse impact on the value of the investment.

You may invest in an illiquid managed investment or a managed investment may become illiquid after you invest. It may be illiquid, for example, because:

- the investment manager has imposed withdrawal restrictions on the investment, or
- the investment is subject to market liquidity constraints.

Suspended managed investments

A suspension occurs when the responsible entity of a managed investment suspends the ability to make withdrawals from the managed investment (and may also prevent further applications or investments into the managed investment).

There are various reasons why a responsible entity of a managed investment may suspend withdrawals (and applications, if applicable) including if:

- the managed investment is no longer liquid within the meaning of the Corporations Act, in which case the responsible entity is prohibited from allowing withdrawals from the managed investment unless it is in accordance

with the managed investment's constitution or a withdrawal offer

- the responsible entity determines that a suspension is necessary to protect the value of the assets in the managed investment from being devalued due to a large quantity of withdrawals from the managed investment, or
- the responsible entity determines that a suspension is otherwise necessary in complying with its obligations to act in the best interests of investors as a whole.

If you have automated features set up on your account (such as regular buy and/or regular sell) that include instructions relating to suspended managed investment(s), these automated features will not be executed in respect of the particular suspended managed investment. For more information on the suspended managed investments, please contact your financial adviser or call Customer Relations.

Withdrawals

Withdrawals from suspended managed investments may be allowed from time to time during withdrawal windows declared by the fund manager of the suspended managed investment. We will notify you or your financial adviser if a fund manager notifies us of an upcoming withdrawal window for a suspended managed investment you hold. You will then be able to place (through your financial adviser if you have one) a withdrawal request for you during the withdrawal window dates. If the total amount of withdrawal requests for the suspended managed investment exceeds the amount available for that particular managed investment, the investment manager may meet requests on a pro rata basis. Each withdrawal window has different conditions that will be communicated to you or your financial adviser.

We will automatically participate in withdrawal offers on your behalf if you have requested to close your account but continue to hold a suspended managed investment within your account. Unless you instruct us otherwise, all amounts received in respect of the suspended managed investment (including distributions) will be retained within your Cash Account until we are able to realise the full amount of your investment in the suspended managed investment.

Transferring managed investments out of your account

You can transfer managed investments to another IDPS operator (provided the account with the other IDPS operator is set up in the same name as your eWRAP Investment account) or directly into your name if the investment manager agrees. Generally, no capital gains tax will be payable on this transfer of managed investments out of your account, however, you should obtain your own tax advice as this may depend upon your particular circumstances. To find out more about transferring managed investments out of your account, contact your financial adviser or our Customer Relations team.

F. Transacting in listed securities

Through eWRAP Investment, you can invest in listed securities. If you wish to hold/trade listed securities through your account, you will need to:

- nominate on your application or account amendment that you want to hold/trade listed securities in your account
- choose between a Sponsored or a Custodial share account – this will determine how your listed securities will be held and how corporate actions will be managed
- request a Holder Identification Number (HIN) to be assigned to your account or transfer an existing HIN to your account (applies for Sponsored share accounts only)
- choose the tax parcel selection method that is to be applied to capital gains tax reporting on listed securities in your account (see 'Capital gains tax and tax management' in this Booklet)
- set up a trading account with our online default broker or one of the other panel brokers.

If you have a financial adviser linked to your Asgard eWRAP Investment account, they can help you set these up on your account.

Share ownership

You have two options to choose from regarding how listed securities in your account are to be held – a Sponsored or Custodial share account. You cannot select both.

Sponsored share account

In the Sponsored share account, listed securities are held in your own name. You retain legal and beneficial ownership of these investments. The share registry communications are received and managed by you. You need to notify the share registries directly of your intention to participate in corporate actions. The Sponsored share account is available to Australian residents only.

Custodial share account

In the Custodial share account, listed securities are held in our name, as custodian for you, in the same way we hold managed investments on your behalf.

As custodian, we hold legal title to your listed securities, however, you will retain beneficial ownership of these listed securities. Because your listed securities are held in our name, you won't receive communications relating to corporate actions from the share registries. This arrangement works to reduce paperwork for you and your financial adviser.

The Custodial share account is not available to all investors.

The main differences between Sponsored and Custodial share accounts are detailed in the table below:

	Custodial share account	Sponsored share account
Eligible investors	<ul style="list-style-type: none"> – Australian residents¹ – Investors with an eWRAP Margin Loan facility – Investors who have supplied a valid Tax File Number (TFN) or exemption reason 	Australian residents.
Excluded investors	<ul style="list-style-type: none"> – Non-Australian residents – Investors whose accounts are held in an external margin lending arrangement under a nominee structure – Investors who have not supplied a valid TFN or exemption 	Not applicable.
Share ownership	Listed securities are held in our name as custodian for you. We are the legal owner of the listed securities, however, you retain beneficial ownership of these listed securities.	Listed securities are held in your name. You hold both legal and beneficial ownership of the listed securities.
Share registry communications	Share registry communications are sent to us.	Share registry communications are sent directly to you. You are responsible for responding to these communications.
Participating in corporate actions	Generally, you'll be able to participate in most corporate actions, except shareholder rights including voting and general meetings.	<p>You are entitled to participate in all corporate actions.</p> <p>You need to notify the share registries directly of your intention to participate in corporate actions.</p>
Voting rights and loyalty programs	<p>We have voting rights as a result of holding legal title. Generally, we will not seek instructions from you in relation to the exercise of voting rights.</p> <p>You have no entitlement to any additional benefits (ie shareholder discount cards) associated with the listed securities.</p>	You retain voting rights and access to loyalty programs.
Custodial share account fee	We charge a fee of \$300 pa (including GST net of RITC) for administering your Custodial share account. This fee applies from the day your Custodial share account is setup even if there are no listed securities held through your account.	Not applicable.

¹ You cannot continue to use a Custodial share account if you're not an Australian resident for taxation purposes. If you have a Custodial share account set up and your residency status (for taxation purposes) changes, you must notify us immediately. In this event, we reserve the right to sell any listed securities in your Custodial share account and then close it. We may also decide not to accept any instructions from you or your financial adviser to buy managed investments.

Switching between Custodial and Sponsored share accounts

You can switch between Custodial and Sponsored share accounts at any time. If you have financial adviser they can submit this instruction for you on AdviserNET. If you don't have a financial adviser you can submit this instruction directly to us by completing the applicable form.

When switching between Custodial and Sponsored share accounts, details regarding your shareholdings (for example, your TFN or instructions for the payment of dividends) will not be retained and will need to be resubmitted by you to the share registries (under the Sponsored share account) or to us (under the Custodial share account).

Holder Identification Number (HIN)

Before you can trade, a HIN must be assigned to your account. Your HIN is unique to your share trading account and is used to identify the legal owner of the listed securities in your account and also to register your account details on

the Clearing House Electronic Subregister System (CHES). You can only have one HIN per share trading account.

When setting up a Sponsored share account, you can elect to transfer an existing HIN to your account or you can ask us to request a new HIN to be generated. Your account will need to be activated before we can assign you a new HIN (see 'Activating your account' in this section in this Booklet). When transferring an existing HIN to your account, the existing HIN must be in exactly the same name and address as your eWRAP Investment account.

Under a Custodial share account, you will be issued with a new HIN as existing HINs cannot be transferred to Custodial share accounts. A new HIN will also be issued when switching between Custodial and Sponsored share accounts. Where permitted, listed securities will be transferred from the old HIN to the new HIN.

If you don't trade on your trading account for a period of 18 months and don't hold any shares in your Sponsored or

Custodial share trading account, we reserve the right to cancel your share trading account and HIN. We'll give you 30 days prior notice before this occurs and give you the option of keeping your share trading account open. Your eWRAP Investment account will remain open.

Choice of broker

If you have a financial adviser, they will trade listed securities on your behalf by placing trades directly with any of the panel brokers. If you don't have an adviser linked to your eWRAP Investment account and have a Sponsored share account, you can provide instructions relating to listed securities if you open a trading account with our online broker. Alternatively, you can switch to a Custodial share account.

A trading account with the relevant panel broker(s) will need to be set up before your trades can be placed. The panel of brokers is appointed by us and may change from time to time. If you wish to set up a trading account with our online broker, you can nominate this on your application or account amendment. Online broker trade confirmations will be sent via email so we cannot set up your share trading account without an email address. If you have a Sponsored share account, you'll also need to complete the online share trading application. The online share trading application is not required for Custodial share accounts.

If you have a financial adviser linked to your eWRAP Investment account, you agree that they, as your agent, may give or submit instructions to a panel broker to buy or sell listed securities held through either a Custodial or Sponsored share account and, on that basis, all instructions given to a panel broker by your financial adviser are taken to be authorised by you. You're therefore responsible for any order which is placed by your financial adviser. We are not responsible for any incorrect instructions or orders.

You're also responsible for notifying your panel broker (other than our online broker) where your share trading account changes, for example, your registered details change or you are issued with a new HIN.

Trading listed securities

You can buy and sell listed securities through your account. Please note that we do not facilitate the trading of listed securities if they are trading on a deferred settlement basis. You can also transfer existing listed securities you hold into your account (excluding mFund products³). Trades are placed through a panel broker, and the costs or proceeds of share trades are settled through your Cash Account.

CHESS sponsorship

Listed securities are traded electronically through the ASX and their ownership is recorded on CHESS. If you choose a Sponsored share account, you agree to appoint the Online Broker as your CHESS sponsor, subject to the CHESS sponsorship terms and conditions set out in the 'Terms and conditions relating to share trading' document provided to

you with this Booklet. You also agree that we can appoint another CHESS Participant to provide settlement services. Currently, we have appointed an online broker as our settlement agent.

The CHESS sponsorship terms and conditions set out your rights and obligations and our rights and obligations in relation to the sponsorship of your CHESS holdings. In particular, amongst other things, they deal with your obligations to pay for listed securities you purchase and pay brokerage and other trade-related fees. You should read the CHESS sponsorship terms and conditions carefully.

You may seek further explanation of these terms and conditions if required and/or request a copy of the executed sponsorship agreement by calling Customer Relations. You may terminate our sponsorship of your listed securities at any time, but if you do this, you'll no longer be able to hold listed securities in the Sponsored share account through your eWRAP Investment account.

Buying listed securities

There's no minimum buy amount for listed securities, subject to panel broker limits and market rules.

If you have a financial adviser linked to your eWRAP Investment account they will submit your buy instructions directly to the chosen panel broker and the panel broker will place your trades with the ASX.

If you don't have an adviser linked to your eWRAP Investment account and have a Sponsored share account, you can provide your buy instructions if you open a trading account with our online broker. Alternatively, you can switch to a Custodial share account, and you will be able to provide your buy instructions to us.

Once a trade has been executed, the panel broker will send you a trade confirmation showing the trade details.

Trades are generally settled two business days after the day they are executed. Our settlement agent will act on your behalf to settle trades. You authorise our settlement agent to withdraw money from your Cash Account to settle purchases including any brokerage or settlement fees, if applicable.

Funding listed security purchases

You're required to fund share purchases, including the purchase price, plus any share trading fees, such as brokerage and settlement fees. In order to fund the share purchase, you must have, at the time your instruction is placed with the broker:

- sufficient funds available in your Cash Account, or
- sufficient pending proceeds from unsettled share sales previously placed through the same broker, or
- a combination of both.

3 An mFund product is an unlisted managed fund admitted for settlement under the ASX Operating Rules and available to investors through the mFund Settlement Service. mFund products are not currently available through Asgard eWRAP Investment.

What happens if you're unable to fund a share purchase?

You're responsible for any share buys placed. When you've decided which listed securities to purchase, you must ensure that sufficient funding will be available to settle the transaction. If there is insufficient funding available and you fail (after a demand has been made) to pay the amount due in respect of the trade, your trade will not be settled. We, or the panel broker, may take the following action to enable settlement of the trade:

- sell or transfer on your behalf any of the listed securities referred to in the trade confirmation, and/or
- sell or transfer any other listed securities held in your account, or any of your assets in our control or possession.

In addition, we may not accept share buys placed if there is insufficient cash available on day of trade.

You may also be liable for failed settlement fees charged by the panel broker and settlement agent. You'll be invoiced directly for these fees, or alternatively they will be deducted from your Cash Account by our settlement agent.

You agree to indemnify us and our settlement agent against all costs, expenses and losses incurred including brokerage, stamp duty and administration fees (in accordance with market rules) resulting from your failure to settle by the due date.

Cash pledging

Our settlement agent will instruct the Bank to place a pledge on funds in your Cash Account that are required to settle share purchases. This is in order to hold the funds in your Cash Account until the time of settlement. Whilst the pledge is in place, the funds will be included in your total Cash Account balance, but you will not have access to them. At settlement, our settlement agent will remove the pledge and withdraw these funds from your Cash Account to settle the purchase.

Selling listed securities

No minimum sell amount applies to listed securities, subject to panel broker limits and market rules.

If you have a financial adviser linked to your eWRAP Investment account, they will submit your sell instruction directly to the chosen panel broker.

If you don't have an adviser linked to your eWRAP Investment account and have a Sponsored share account, you can submit your sell instruction to the online broker. If you have a Custodial share account, you will be able to provide your sell instruction to us by completing the applicable form.

The panel broker will place your trade with the ASX and once it has been executed, the panel broker will send you a trade confirmation showing the trade details.

Trades are generally settled two business days after the day they are executed. Our settlement agent will act on your behalf to settle trades. You authorise our settlement agent to deduct settlement fees from your Cash Account, if

applicable, and deposit the net proceeds from share sales into your Cash Account after deducting brokerage and any other panel broker fees.

What happens if there are insufficient listed securities in your account?

You're responsible for any sell placed. If you don't have sufficient listed securities in your account and you fail (after a demand has been made) to deliver the number of listed securities needed to settle the trade, your trade won't be settled.

We, or the panel broker, may buy on your behalf the additional listed securities required to complete settlement of the trade. In this event, the purchase cost and associated fees and charges will be deducted from your Cash Account.

You may also be liable for failed settlement fees charged by the panel broker and settlement agent. You may be invoiced directly for these fees, or they may be deducted from your Cash Account by our settlement agent.

You agree to indemnify us and our settlement agent against all costs, expenses and losses incurred, including brokerage, stamp duty and administration fees (in accordance with market rules), resulting from your failure to settle by the due date. You must ensure that you hold the required numbers of listed securities to make certain you are not left with an insufficient quantity.

Removing/selling listed securities held through your account

In addition to any other rights we may have, you authorise and instruct us to sell without your permission, listed securities held under a custodial arrangement through your account if we determine for any reason that:

- we can no longer administer or hold a listed security
- a security is likely to be removed from the ASX
- the issuer intends to de-list the security from the ASX, or
- you are in default of any of your obligations under any terms and conditions or the eWRAP Custody Deed.

You agree that we may opt to sell your investments as if we had received an instruction from you to do so, to the extent necessary. You further agree not to vary this instruction.

If your listed securities are held under a sponsored arrangement through your account, in the event of any of the above scenarios arising, your shareholdings may be transferred to an issuer sponsored arrangement without your permission.

Transferring listed securities into your account

You can transfer existing listed securities into your account. Your listed securities may be held with an existing broker, with another IDPS operator, or they may be issuer-sponsored.

If your listed securities are currently held with another broker or IDPS operator, you'll already have a HIN. For Sponsored share accounts, you may transfer this entire HIN and all associated listed securities to your account. If you do this,

any details currently lodged with CHESS regarding your listed securities, such as your TFN or instructions for the payment of dividends, will be retained.

For both Sponsored and Custodial share accounts, you have the option of transferring the listed securities individually to your account. In doing this, we'll ask CHESS to create a new HIN for you. If you have a Sponsored share account, your details, such as your TFN and dividend instructions relating to each of the listed securities you are transferring, will need to be resubmitted by you to the relevant share registries.

If your shares are issuer-sponsored, you'll have a Shareholder Reference Number (SRN) instead of a HIN. Because different listed securities are sponsored by different issuers, you may have multiple SRNs.

To transfer listed securities into your account, you need to:

- complete the issuer-sponsored or broker-sponsored CHESS sponsorship transfer form with the tax parcel details (applicable to Sponsored share accounts only)
- complete the standard off-market transfer form and provide tax parcel details for each individual shareholding
- (applicable to Custodial share accounts only), and
- provide the most recent holding statement for each individual shareholding.

If you have a financial adviser they can help you obtain and complete the relevant forms. When we receive the forms, we'll arrange the transfer of the listed securities to your account. To avoid processing delays, you should ensure the correct registered details are supplied on the forms.

Transferring listed securities out of your account

You can transfer listed securities in your account to another participant or to issuer-sponsored holdings, providing they remain in your name. Since there is no change in beneficial ownership you should not incur any capital gains tax on the transfer, however, you should obtain your own tax advice as this may depend upon your particular circumstances. To find out more about transferring listed securities out of your account, contact your financial adviser or our Customer Relations team.

Managing corporate actions

Corporate actions are events that affect investors' holdings in listed securities. Some corporate actions provide investors with different options (voluntary corporate actions) so each investor can elect the option they believe is best suited to their personal circumstances. Other corporate actions simply occur (mandatory corporate actions), and investors have no options available to them but to comply with the default election as instructed by the share registry. Examples of corporate actions include bonus issues, rights issues, distributions, buy backs, takeovers and call payments.

The types of voluntary corporate actions available to you and the way you participate in them depends on whether you have a Sponsored or Custodial share account set up. Refer to the table on the next page for more information.

	Custodial share account	Sponsored share account

Share dividends

Depending on the listed securities you hold, you may be able to elect to receive dividends as either additional securities (that is, reinvest dividends under a Dividend Reinvestment Plan (DRP)) or to receive dividends as cash. The payment of dividends and the ability to elect a DRP differs depending on whether you have a Custodial or Sponsored share account set up.

For information on how we treat the receipt of share dividends after your account has been closed, refer to 'Closing your account' in this section on the next page.

When you reinvest dividends under a DRP, you acknowledge and agree that you may not have received the current prospectus for the investment.

Sponsored share account

With a Sponsored share account, each share registry will send you a form asking you to nominate your preferred method of receiving dividends. You can choose to reinvest the dividend under a DRP or receive it as cash paid by cheque or credited to a bank account you nominate⁴. Simply complete the form sent to you by the share registry and return it to them to inform them of your nomination.

If you want to change your dividend instruction, you'll need to contact the relevant share registry directly.

Custodial share account

With the Custodial share account, if you elected to receive dividends as cash, any cash dividends you receive must be paid into your Cash Account. (You cannot choose a bank account other than your Cash Account for dividends to be paid into).

You can participate in DRPs, however this election will be applied across all of the listed securities held through your account where DRP is available. You cannot choose to receive dividends as cash for one shareholding while electing to participate in a DRP for another shareholding. Where DRP is not available for a listed security, or there is residual cash portion on your DRP, the dividend will be received as cash and deposited into your Cash Account.

When submitting your dividend instruction, you must allow up to three (3) business days for us to forward your instruction to the relevant share registry and generally another ten (10) business days (or longer) for the share registry to process this instruction. Failure to provide us and the share registry with adequate time to process your instruction may result in your instruction not being actioned in time for the election to apply to that particular dividend or distribution.

Valuations

Listed securities are valued daily for reporting and tax purposes using the ASX closing price data from the previous trading day.

G. Rebalancing your account

You and your financial adviser can ask us to regularly rebalance your portfolio according to templates you've established for the managed investments held through your account. This means that regardless of each of your investment's performance, your portfolio will generally be in line with the investment strategy you have chosen.

By choosing the auto-rebalance option, your account can be rebalanced:

- quarterly (on or around 15 February, May, August and November)
- half-yearly (on or around 15 February and August), or
- annually (on or around 15 August).

You and your financial adviser can also choose to rebalance your portfolio on an ad-hoc basis. Auto-rebalancing can be established and maintained on AdviserNET by your financial adviser. If you don't have a financial adviser you can provide instructions directly to us by completing the applicable form.

H. Margin lending

You may be able to borrow money to invest through your account using margin lending. Margin lending enables you to invest more than would be possible using just your own funds.

St. George provides the eWRAP Margin Lending facility, under which your margin loan is secured against the value of the listed securities and managed investments you hold through your account. You can apply for this facility at the same time you open your account or your financial adviser can help you establish it at a later date. **Please note that if you're not an Australian resident you cannot use the eWRAP Margin Lending facility.**

You should read the eWRAP Margin Lending PDS, the eWRAP Margin Lending Guide and other disclosure documents relating to eWRAP Margin Lending, including the application (available from your financial adviser or by contacting Customer Relations) to fully understand the risks and benefits of margin lending before you take this option for investing. The eWRAP Margin Lending PDS sets out the features, costs and terms and conditions of the facility. The eWRAP Margin Lending Guide explains any changes to the way your eWRAP Investment account operates with the facility.

Margin lending may also be available through external providers. For more information, contact your financial adviser or our Customer Relations team.

⁴ If you choose to pay dividends into a bank account other than your Cash Account, we'll only be able to report on these dividend payments on a notional basis. We will not be able to verify whether the dividend payments have been received by you.

I. Closing your account

To close your account, contact your financial adviser (if you have one) or contact us. Prior to closing your account, you must arrange to redeem, sell or transfer all your managed investments and listed securities. In exceptional circumstances, such as if a managed investment becomes illiquid or has withdrawal restrictions, it may take longer to close your account. Once we process your account closure request, we'll deduct all outstanding fees and other costs from your Cash Account.

When you close your eWRAP Investment account, you have the option of closing or retaining your Cash Account.

If you close your Cash Account, we'll credit a final interest payment and deposit the final balance into your Nominated Account. A final benefit statement will be sent to you showing the transfer of funds out of your Cash Account and the resulting nil balance.

We may receive subsequent receipts (for example, dividends and income distributions) from assets held by you after your account has been closed.

- If you keep your Cash Account open, any subsequent receipts we receive will be paid into it, or
- If you close your Cash Account, we'll pay any subsequent receipts into your Nominated Account. (See the Cash Account PDS for more information).

3. Tax features

We recommend you consult a suitably qualified professional when considering tax matters in relation to investing through eWRAP Investment. The following information is of a broad nature and doesn't take into account your individual circumstances.

To help you prepare your income tax return for investments held through eWRAP Investment, you'll receive an annual Tax Report and Tax Guide around September each year. You'll also have access to quarterly PAYG information through Investor *Online* to assist you with your PAYG tax instalment obligations.

What income is taxable?

The income tax position for income from managed investments and listed securities and listed securities held through your account should be the same as if those investments were held in your name.

However, you should be aware that the Australian Taxation Office (ATO) conducts ongoing reviews of the taxation treatment of investment products, such as eWRAP Investment, and as a result, the taxation treatment or some of the tax features of the product may change. We'll notify you of any material changes that affect your account.

Generally, income derived from assets within your account, together with any imputation credits and/or foreign income tax offsets, will form part of your assessable income. These credits may also be available to offset income tax payable for the year. There are complex rules applying to imputation credits received through trust investments made on your behalf by us, and you should seek specific advice. Where you don't qualify for franking credits, they will not form part of your assessable income.

Capital gains tax and tax management

Any taxable capital gain calculated in accordance with the law and attributable to investments will generally form part of your assessable income.

Capital losses may only be offset against current year capital gains or be carried forward to be offset against any future capital gains. Where a capital gains discount applies, capital losses must be first offset against gross capital gains before any discount is applied.

In the consolidated Tax Report provided to you each year, we have applied 'specific parcel selection' methodology in matching tax parcels to each sale during the year. The way in which the parcels have been selected depends on the type of investments you held and the nominations you or your adviser have indicated. This means you have the opportunity to determine which tax parcels are sold which will affect the amount of capital gain you derive or capital loss you incur when selling managed investments. This is explained in more detail below.

Managed investments

You can select which tax parcels are to be sold as part of any disposal of your managed investments.

Where you don't select specific tax parcels or fail to choose the correct number of parcels, the parcels will be deemed as having been sold in the following order:

- managed investments held for more than 12 months (beginning with the oldest) and acquired after 19 September 1985
- managed investments held for less than 12 months (beginning with the most recently purchased assets)
- managed investments acquired before 19 September 1985 which were transferred into your account.

Listed securities

You can indicate the order in which tax parcels will be selected for matching to sales. You can choose from one of the following methods:

Minimise gain

Listed securities will be treated as having been sold in the order which minimises the net capital gain across the share portfolio at the time of the sale. This method will take into account a range of factors, such as:

- whether a gain has been made
- when each parcel was acquired
- whether a gain can be discounted or a cost base indexed
- if there are any capital losses (generated on listed securities sold in that financial year) that can be offset.

There may be other factors (such as a subsequent sale or other losses) that are not taken into account and may result in a different outcome. This will be the default method which will apply if you do not make an alternative selection.

Maximise gain

Listed securities will be treated as having been sold in the order which maximises the capital gain at the time of the sale. The parcel which generates the highest possible net capital gain will be selected first, then the parcel with the next highest net capital gain is selected, and so on.

First in first out (FIFO)

Listed securities will be treated as having been sold in the order in which they were purchased, commencing with those purchased earliest. The parcel that has been held for the longest period will be selected first, then the next longest held parcel is selected, and so on.

Modified FIFO

Listed securities will be treated as having been sold in the following order:

- listed securities held for more than 12 months (beginning with the oldest) and acquired after 19 September 1985
- listed securities held for less than 12 months (beginning with the most recently purchased assets)
- listed securities acquired before 19 September 1985 which were transferred into your account.

Generally, you make your final selection of tax parcels by the way you calculate your capital gain or loss when you lodge your annual income tax return. If you intend to use our consolidated Tax Report to calculate your capital gain or loss, you should advise us of your selection for investments in listed securities by mid-July each year so we can include this information in preparing the capital gains/losses summary report. If you've used interim capital gains reporting in determining your quarterly PAYG instalment income (eg for a self managed superannuation fund) then you should not change the selection later.

We don't accept changes to the tax parcel selections during the tax reporting period from mid-July until around the end of November, although any method can still be selected for a new account. Customer Relations can advise the exact July cut-off date each year for changes to tax parcel selections.

The method you choose will be applied to all share sales that occurred from the beginning of the financial year in which your method is chosen, unless you change your method in July. If you change your method in July, the method you choose will also be applied back to the beginning of the previous financial year. Please speak to your financial adviser or taxation consultant to determine which method is most suitable for your financial circumstances.

Tax Reports

Tax Reports are produced annually and are accompanied by a comprehensive Tax Report Guide which is available online. Our consolidated Tax Report consists of the Statement of Annual Taxation Summary and supporting schedules. The Statement of Annual Taxation Summary reflects the layout of the information required in the current year's tax return, making it easy for you and your taxation consultant to locate and record the correct information for your income tax return. You can view your Tax Report on Investor *Online* by selecting Investor correspondence from the menu.

Tax Report Guide

The Tax Report Guide is designed to help you and your taxation consultant understand the Tax Report. It provides important notes on how to interpret your Tax Report, including technical information on how to include this information in your income tax return.

The Tax Report Guide also includes information on the treatment of foreign income, dividends, imputation credits, withholding tax, worked examples and more.

Tax reporting

Your quarterly PAYG statements and annual Tax Report are prepared on the basis of certain assumptions (including application of capital gains tax rollover elections). This may result in the Tax Reports or PAYG Statements not being accurate for your particular circumstances or may require you to recalculate amounts shown. Details of these assumptions will be included in the Tax Report Guide which is published online to coincide with the release of annual Tax Reports.

The Tax Report is not designed for use by non-resident investors. Such investors will need to make adjustments to details in the Tax Report when preparing an Australian income tax return.

Transferring assets into your account

When transferring managed investments and/or listed securities into your account, you will be required to provide all of the relevant cost base details. If you have a financial adviser linked to your eWRAP Investment account, they can assist you with this. If incorrect details are entered, then your annual Tax Report or PAYG statements will be incorrect.

Non-resident investors

You must indicate your residency status for tax purposes on your application. If you're a non-resident investor, some or all of the information above may not apply to you. Please see your taxation consultant if your residency status changes after you invest through eWRAP Investment. You must notify us immediately if this occurs.

If you become a non-resident and then become a resident again, you may need to provide us with your updated residency details. You'll also need to reconfirm your TFN details with us. In the case of joint accounts, your account will be treated as a non-resident account where at least one investor is a non-resident.

GST

Available Reduced Input Tax Credit (RITCs) will be claimed by eWRAP Investment in relation to the portion of our administration fee charged on managed investments and the Custodial share account fee. This credit will be passed on to investors with managed investments in their account.

Adviser remuneration, administration fees charged on listed securities and share settlement fees are treated as a supply to the investor and therefore no RITC is claimed within the eWRAP Investment GST entity.

In the event of any change in tax laws or their interpretation which affects the rate of GST payable or the RITCs that we may receive, the amounts deducted from your eWRAP Investment account in respect of applicable fees and costs may be varied or adjusted to reflect such changes without your consent or further notice to you.

Claiming GST credits

If you're registered for GST purposes, you may be able to claim input tax credits or RITCs for any GST paid on share settlement fees, the portion of your administration fee charged on listed securities in your account and any adviser remuneration you have agreed to pay your financial adviser. If you intend to make a claim, you can request we provide you with monthly tax invoices. To determine if you're able to claim any input tax credits or RITCs, see your taxation consultant.

TFNs

We are authorised to collect TFNs under tax law and the *Privacy Act 1998* (Cth). Those laws also regulate how we may use your TFN or disclose it to others. You do not have to give us your TFN, but if you don't, we may be required to take tax out of income earned on your investments at the highest marginal tax rate plus the Medicare levy. (You may be able to claim an exemption – contact the Australian Taxation Office (ATO) or your tax adviser for more information.) By quoting your TFN, you authorise us to apply it for your eWRAP Investment account and the investments acquired for you. You authorise us to disclose information to the ATO as we consider necessary to process instructions. For more information about the use of TFNs, please contact the ATO.

Australian companies and other entities that invest with us for business purposes can supply us with their ABN instead of their TFN.

General

The above content is an outline of some of the Australian tax issues which may impact investing through eWRAP Investment. These comments should not be relied upon as a complete statement of all the potential tax considerations. These comments are based on the Australian tax laws as at the date of this Booklet. The Australian tax laws are subject to continual change, and as the tax treatment applicable to investors may differ, it is recommended that all investors seek their own professional advice on the taxation implications before investing through eWRAP Investment.

4. Other information

About the Custody Service Deed

We are the operator and custodian of eWRAP Investment. The operation of your eWRAP Investment account is governed by the Custody Service Deed dated 31 May 2002 (as amended from time to time) and by the terms and conditions contained in this Booklet.

The Custody Service Deed provides details about:

- how eWRAP Investment accounts are opened, closed, suspended or terminated by us
- our right to fees and other costs
- when we will and won't act on your instructions
- the broad disclaimer of liability by us relating to the use of AdviserNET by your financial adviser to give instructions
- our limits of liability – in particular, we are not liable to you for any losses or liabilities incurred by you in relation to eWRAP Investment, this Booklet or the deed except to the extent that those losses or liabilities arise from our, or our agent's, lack of good faith, dishonesty or failure to act with reasonable care and diligence in providing eWRAP Investment
- our right of indemnity from your eWRAP Investment account where we have properly performed or exercised our powers and duties
- how we communicate with you and your financial adviser
- both your and our rights and obligations in relation to your eWRAP Investment account.

A copy of the Custody Service Deed is available free of charge from Customer Relations. We can amend the Custody Service Deed or the terms and conditions contained in this Booklet at any time and we'll notify you of any material changes we've made. If we ever make any changes which are materially adverse to you, we'll give you no less than 30 days' prior notice beforehand.

Related party investment arrangements and transactions

Some of the managed investments and term deposits available through eWRAP Investment are issued or managed by companies within the Westpac Group. These Westpac Group companies receive fees in relation to your investment in the relevant product, which may include contribution fees, management fees, performance fees, withdrawal fees and other fees as specified in the product disclosure statement or other disclosure document for the relevant product. Your Cash Account is a bank account offered by a company in the Westpac Group. Related parties will receive fees for services they provide. All arrangements are on an arm's length basis.

Where a managed investment is issued or managed by a company in the Westpac Group, the same investment selection criteria applicable to managed investments issued

or managed by unrelated parties applies. We also have policies that govern how we manage actual and perceived conflicts of interest that may arise and these policies apply to the managed investment selection process.

ADVISER PART B**SCHEDULE OF FEES TO AUSTRALIAN INVESTMENT EXCHANGE LIMITED****Brokerage**

Our primary source of income is from the brokerage paid on transactions made through your Australian Financial Service Licensee (Adviser) and other Companies when using our services. These can generally range from 0.11% (brokerage on Equities and Warrants) to 0.55% (brokerage on Exchange Traded Options). Remaining charges over and above our minimum brokerage will be paid to your Adviser and attributed to any additional advice fees and/or service fees charged to you by your Adviser (where applicable). Refer to your Adviser for further details.

Unless otherwise indicated, where a fee or charge is expressed as a percentage, it refers to a percentage of the transaction value. For GST rounding reasons, the final brokerage fee may result in a slight variance from the stated or expected charge, which may exceed two cents for large trades.

Derivatives

Before investing in derivative products, you should read the Exchange Traded Options PDS and associated ASX documentation. An Exchange Traded Option contract is a contract to buy or sell underlying securities in a predetermined quantity, usually of 100 units, at a predetermined price on, or before, a predetermined date. Please be advised that not all Advisers are authorised to deal in derivative products.

ETO Contract fees of \$0.13 (GST exclusive) per contract apply for equity Exchange Traded Options, and \$0.05 (GST exclusive) per contract exercise fee. In the case of Index Options, the ETO Contract fee is \$0.45 per contract (GST exclusive) for Index ETO transactions, and \$0.35 per contract (GST exclusive) for Index ETO exercise/assignment. ETO Contract fees have been set out on a GST exclusive basis as the total GST may be rounded in accordance with the GST law.

Warrants

Before investing in warrants, you should read the PDS specific to that warrant and associated ASX documentation.

Conditional Orders

A Conditional Order is an instruction to monitor a security for a set of predefined criteria. Once the criteria have been met an order is submitted to the market.

We charge your Australian Financial Service licensee on the purchase and sale of executed transactions made on your account. We will deduct any government charges from the proceeds of a sale or add applicable government charges to the purchase price of orders you make.

Minimum fees apply on the total consideration of the contract and additional administration fees may also apply in certain circumstances. These range from between \$33 and \$55 per order.

Our fees may vary depending on the cash account balance you may have with us, the type of market information you request, the level of service you require and the frequency of your transactions.

We may charge a fee of \$3.85 for each posted confirmation. Confirmations sent by email are free.

Margin Lending

We may receive referral fees from time to time from Margin Lending providers. These will vary depending on the provider and the amount you have invested through us and will generally be between 0.25% and 3% of Margin Lending loan balances.

Cash Management

Cash management, money market and fixed interest products charge a variety of fees and varying rates of interest, which will be disclosed in any PDS provided. These may range from between 0.25% to 3% of account balances held with the product provider.

Trust Account

We are required to maintain a trust account on your behalf to hold funds that are used for your share trading account. We will retain any interest that may be earned on this account.

Initial Public Offerings

We may receive upfront fees, volume bonuses, other incentives and ongoing fees from time to time by making available initial public offerings. These fees will vary depending on the offering at the time. More details about each offering will be located on the appropriate prospectus.

Other product offerings resulting in an ongoing fee

In some cases we may refer you to a product provider whose product may complement ours. In these instances we may receive a fee or other fee for service ranging from 0.25% to 3%, depending on the nature and amount of business being referred. Further information about each product is shown in the appropriate PDS.

If we have referred you to a third party who has a vested interest in maintaining an ongoing relationship with you, a fee may be paid. If a third party refers you to us, we may earn a fee.

If you are referred to us by another approved party, we may share with them our fees, or pay them a fee for each trade you place that uses our services. These may vary depending on the nature of the agreement, the products being offered, and the extent of business you have with us that is being referred.

Typically, a fee may be in the form of rebates on the trades you make, or a percentage of your portfolio or account balance.

Your transaction instruction details may be provided by your Australian Financial Services licensee adviser over the telephone or through electronic means. If we receive your instructions by telephone, your transaction will be governed by our standard telephone Terms and Conditions. If your instruction is provided through electronic means, you should review the Terms and Conditions for such. The Participant or a Related Entity is not obliged to enquire into any of the matters mentioned in this condition and You authorise the Participant or a Related Entity to act upon such instructions believed by the Participant or a Related Entity to be authentic.
- 5.9 The Participant will use its best endeavours to execute Your instructions or orders accepted by the Participant, but the Participant will not guarantee that Your instructions will be wholly or partially executed or will be executed by a certain time.
- 5.9A The Participant or a Related Entity will not be responsible for any loss or liability incurred by You where the Participant or a Related Entity does not receive Your instructions or where any dealing or proposed dealing is interrupted, unable to be completed or unable to take place due to the failure or delay of any telephone, computer, other electronic or technological service provided by us or a Related Entity or third parties.
- 5.9B The Participant or a Related Entity will not be responsible for any loss or liability incurred by You where the Participant or a Related Entity is unable to receive or act on Your instructions due to circumstances beyond our reasonable control e.g. riot, civil disturbance.

You further acknowledge that the Participant is not obliged to notify You of any orders which are purged from the market, although the Participant will make all reasonable endeavours to notify You of such. The Participant is not liable if You do not receive notification in this regard. An order that is cancelled or purged by the Market Operator will not be reinstated by the Participant without instructions from You.
- 5.11 You authorise and appoint the Participant, each of its directors and employees as Your attorney to enter into any contract or agreement with another party on Your behalf upon receiving Your instructions (such instructions may be given by You electronically and accepted by the Participant in accordance with clause 5.9) to do so. You acknowledge that all liability for such contracts is Yours alone. You will indemnify the Participant against all loss, expense or any other liability in relation to such contracts or agreements. If You do not wish to have the Participant act as Your

appointed attorney, please contact Your advisor to discuss your options, as the Participant may not be able to continue to provide services to you.

- 5.12 You authorise the Participant to record any telephone or written communications between Yourself, Your authorised representative and the Participant, with or without an audible tone-warning device. You acknowledge that any recording or written communication is the Participant's property and that the Participant reserves the right to charge You a cost recovery fee for access to a recording or written communication. You may wish to record all relevant details of any conversation You have with us, including the name of the operator and the date and time of the call, and You acknowledge, if you have the information available, that the Participant may ask You for this information, to assist us when You seek access to a communication. - 5.14 If You request the Participant to provide You with email or SMS message alerts (Alerts), You agree to be bound by the Alerts Subscription Agreement & Terms and Conditions of Use, which supplement these Share Trading Account Terms and Conditions.
- 5.15 You acknowledge that Your access to Alerts depends on factors outside our control, including any disruption, failure or malfunction in any part of the internet or SMS network. Access may also be limited or unavailable during periods of peak demand, systems interference, damage or maintenance, or for other reasons. We accept no liability if an alert message is not sent or not received for any reason.
- 5.16 The fees and charges applicable to Your Account can be located in the Financial Services Guide.

- all settlement obligations irrespective of whether Your margin lender is able to deliver sufficient securities or funds to satisfy Your obligations;
 - any over-sold positions on Your account;
 - payment of monies owing on Your account irrespective of whether the margin lender will advance You those monies.
- 5.18 You acknowledge that the Participant is not responsible for missed market opportunities during the time it takes the Participant to follow its internal procedures, for legitimate business purposes or compliance with the law, or the procedures of share registries or product issuers, for example, processing corporate actions including but not limited to buy backs or share purchase plans, opening accounts, transferring Participant Sponsored Holdings, or Issuer Sponsored Holdings, or confirming Your identity.
- 5.19 a. You acknowledge that the Participant will make all reasonable attempts to enter Your instructions to buy or sell securities as quickly as possible. However, should delays be experienced:
- in connection with the number of Participants or persons attempting to participate in the market at a point in time;
 - due to verification or authorisation processes; or,
 - due to delays resulting from call waiting time or adherence to internal procedures;
- the Participant will not be liable for any claims for lost opportunity.
- b. You acknowledge that the Participant will make all reasonable attempts to effect any instructions to cancel or amend orders as quickly as possible. However, should an order be filled prior to a cancellation or amendment instruction being effected You will be obliged to accept the transaction(s) on the original terms. Whilst all reasonable attempts will be made to inform You when the order is filled prior to an amendment or cancellation instruction being effected, the Participant is not obliged to do so.
- c. You acknowledge and accept that there may be delays in processing between the time an amendment or cancellation instruction is dealt with by us and the time the amendment or cancellation is effected on market. In the event an order is filled between the time it has been 'approved' by the Participant and the time the Participant effects the instruction on market, You will be obliged to accept the transaction on the original terms.
- d. If You are uncertain as to whether Your order has been received You will make all reasonable attempts to verify whether the order has been received, approved and effected prior to taking any further action. You agree to issue specific cancellation or amendment instructions with respect to an existing order and not to attempt to effect such changes by placing a second or duplicate order. You will be solely responsible and liable for any duplicate instruction that You place.
- e. You acknowledge that the Participant is not liable to You for any loss You incur under a share purchase plan due to a seller or buyer or their broker failing to complete a transaction in accordance with the rules or procedures of the market, the clearing facility or the settlement facility.
- f. If You purchase on market a holding of rights for a security that is traded separately to the security, You acknowledge that the Participant automatically exercises those rights on Your behalf unless You tell the Participant not to exercise them.
- g. In the course of processing a sell order for a security, the Participant may remove Your holding of the security from the register before the due date for settlement under the Market Operating Rules.
- h. If, in its reasonable opinion, the Participant believes there is a dispute between You and the Participant about an order or instruction You have given the Participant, for example, the number of shares You have asked the Participant to buy, or the bid price for

shares, the Participant may take, without prior notice to You, any action which in its reasonable opinion the Participant considers necessary to close any open position the subject of the dispute, for example, by selling shares.

- i. You acknowledge that, due to market conditions, the Participant may complete Your order by multiple market transactions, across multiple markets in accordance with our Best Execution Policy and You authorise the Participant to accumulate those transactions, across multiple markets in accordance with our Best Execution Policy on a single confirmation and specify the volume weighted average price for those market transactions.
 - j. Where You have an adviser, You acknowledge that from time to time, the Participant may complete your order, and the orders of other clients of that adviser, using accumulated market transactions and You authorise the Participant to allocate those transactions accordingly at the average execution price. This average price will be reflected on Your individual confirmation.
- 5.20 You acknowledge and agree that we are entitled to cancel or reverse a dealing or order without further reference to You where the Market Operator has recommended or required cancellation or reversal for market integrity reasons, or where the market was operating under an error, or where the cancellation or reversal is permitted under the Market Operating Rules.
- 5.21 You acknowledge and agree that all orders must be submitted either 'At Market' or 'At Limit'. 'At Market' orders cannot be accepted outside of market hours or when trading in a particular stock is halted/suspended.
- 5.22 You acknowledge and agree that a "market" order is an order placed at either the best bid price when selling shares or at the best ask price when buying shares. If there is insufficient volume to fill Your order quantity, then the remaining portion will remain on the market at this price as a limit order. When placing market orders, You need to be aware that some stocks can be volatile, and the current quote that You see may be different from the price at which Your order transacts.
- 5.23 You acknowledge and agree that an 'At Limit' order will not be accepted, without any advice to You, if we consider the limit price to be too far away from the prevailing market price of that stock.
- 5.24 You acknowledge and agree that all Orders can be amended or cancelled provided the order has not already been executed.
- 6.0 STRAIGHT THROUGH PROCESSING**
- 6.1 The Participant has provided You with access to STP.
- 6.2 You acknowledge the following in relation to Your access to STP:
- a. any orders placed by You using STP will need to meet filters set by the Participant from time to time. The Participant may amend its filters from time to time without notification. The Participant is not required to inform You what the filters are;
 - b. that it is possible for an order placed by You to be matched with another order also placed by the Participant. This 'crossing' may be with an order by another client of the Participant. The Participant may as a result receive brokerage from both clients;
 - c. that STP is only available on 'limit' orders for securities with a normal status (i.e. not suspended or in a trading halt)
 - d. At Market orders can only be accepted during market hours 10am to 4pm (Sydney time), in securities with a normal status (i.e. not suspended or in a trading halt). STP is available on market orders;
 - e. If Your order does not pass the filters, then it will be referred to a Designated Trading Representative (DTR) for evaluation. In some cases the DTR has the authority not to place the order on market until You become contactable to confirm the order. The Participant is not liable for any delays in placing Your order as a result or for Your order not being placed at all; and that the Market Operator's trading platform operating schedule defines the various phases of and at what time they happen. You are aware that an important point is the opening phase, in which the market opening times are staggered depending on the starting letter of the ASX code.
- 6.3 You acknowledge that the Participant, as trading Participant, must ensure the conduct of an orderly market and prevent manipulative trading, including insider trading, false trading, market rigging and suspect transactions. Therefore in utilising STP You should realise that an order may be scrutinised by both the filters and a DTR.
- 6.4 You acknowledge that the Participant is required to prevent a bid, offer or dealing if any client intends to create, or taking into account the circumstances of the order, the Participant reasonably suspects that the client has placed the order with the intention of creating a false or misleading appearance of active trading in any financial product or with respect to the market for, or the price of any financial product, or market rigging or manipulation or suspect transactions.
- You acknowledge and agree that the Participant reserves the right decline to act on Your behalf or accept Your instructions or process any orders placed through STP where in the opinion of the Participant, Your instructions breach or may breach any law or statutory or other regulatory requirements (including without limitation any rules or regulations of the Market Operator.)
- 6.5 The Participant reserves the right to terminate Your access to STP at any time in the Participant's absolute discretion, if, for example, Your Account has had frequent failed settlements, or we suspect that:
- a. Your Account has been accessed fraudulently;
 - b. You are a Proscribed Person;
 - c. You have attempted market manipulation; or
 - d. You have committed fraudulent, illegal or unauthorised dealings on Your Account.
- Without limiting our rights under paragraphs (a) to (d), we may terminate or suspend Your access to the Trading Site and the Services for reasons other than the ones mentioned above.

7.0 PAYMENTS AND INDEMNITY

- 7.1 You will pay the Participant brokerage fees and charges as specified by the Participant from time to time; and reimburse the Participant for any fees, taxes, consumption or value-added tax, stamp duty, domestic and foreign taxes (if applicable) or any other charges levied in relation to each transaction. The Participant reserves the right to vary such fees and charges, and method of charging, at any time and without prior notice, acting reasonably in relation to ongoing compliance with a regulatory requirement or law; or where it is necessary to protect the Participant's interests; or it is reasonable in the circumstances to do so.
- 7.1A If You subscribe to a service for which we charge fees in arrears, we will charge the fee on a monthly basis. We will debit Your account at the end of each calendar month. The first month will be the period from the date when You subscribe to the end of the calendar month.
- 7.2 If the goods and services tax (GST) has application to any supply made by the Participant under or in connection with Your Account with the Participant under these terms and conditions, the Participant will in addition to any amount or consideration payable under these terms and conditions, recover from You an additional amount on account of the applicable GST.
- 7.3 You agree that the Participant may receive fees from the issuers of financial products or from any other party arising from Your use of Your Account and the Participant is not obliged to rebate these fees to You.
- 7.4 You will pay the Participant brokerage fees and charges as specified by the Participant from time to time; and reimburse the Participant for any fees, taxes, consumption or value-added tax, stamp duty, domestic and foreign taxes (if applicable) or any other charges levied in relation to each transaction. The Participant reserves the right to vary such fees and charges, and method of charging, at any time and without prior notice, acting reasonably in relation to ongoing compliance with a regulatory requirement or law; or where it is necessary to protect the Participant's interests; or it is reasonable in the circumstances to do so.
- 7.5 You acknowledge that Your order may be matched with an order or orders of another client of the Participant. If this occurs You agree that the Participant may receive brokerage from both parties to the trade.
- 7.6 You irrevocably authorise the Participant or a Related Entity to appropriate any payments, remittances or receipts from You or for Your Account in such manner and order of priority as the Participant or a Related Entity deems fit against any amounts owing by You to the Participant or a related entity of the Participant.
- 7.7 You will indemnify the Participant or a Related Entity, its directors and employees against all actions, claims, demands and proceedings, expenses and losses incurred, (including legal costs on a solicitor and client basis) reasonably incurred, directly or indirectly, by the Participant or a Related Entity as a result of undertaking or executing Your instructions or orders or any failure by You to comply with this Agreement, the Corporations Act, the ASIC Market Integrity Rules, the Market Operating Rules, the ASX

Settlement Operating Rules, and the customs, procedures, usages or practices of the ASX, or Your use of Your Account with the Participant.

- 7.8 Any expenses, costs or disbursements reasonably incurred by the Participant in recovering any outstanding monies from You including debt collection agency fees and solicitors costs shall be paid by You. You indemnify the Participant in respect of all such expenses, costs or disbursements.
- 7.9 The Participant or a Related Entity is entitled to retain any financial product or amounts due to You pending payment of any amounts due to the Participant and to set off amounts due to the Participant against amounts that the Participant hold for You in any account. If You fail to make payment to the Participant, the Participant has a general lien over and power to sell or realise any financial product the Participant holds for You. Where you are acting in the capacity of a trustee of a superannuation fund, this clause only applies to the extent it does not cause you to breach Regulation 13.14 of Superannuation Industry (Supervision) Regulations 1994.
- 7.10 If the Participant approves a Trading Limit to be applied to You or Your Account, You must ensure You have sufficient cleared funds in Your Cash Account at the time of the transaction to settle Your obligations to the Participant or a related party of the Participant.

8.0 FAILURE TO SETTLE

- 8.1 You're responsible for any share buys placed by your financial adviser. When you've decided which listed securities to purchase, you must ensure that sufficient funding will be available to settle the transaction. If there is insufficient funding available and you fail (after a demand has been made) to pay the amount due in respect of the trade, your trade will not be settled.
- 8.2 If You fail to settle by settlement date for any transaction arising from Your instructions, You agree to pay to the Participant on demand interest on any outstanding amount arising from the failure at the overdraft interest rate as varied by the Participant, for legitimate business purposes from time to time. You also agree to pay any fail fees arising from the failure to settle.
- 8.3 If by the settlement date, You have not made full payments for Your purchases or good delivery for Your sales, and a demand for payment has been made, then You authorise the Participant to sell or buy back on Your behalf at Your risk and expense (including without limitation, brokerage, stamp duty and other costs), any financial product that is the subject of the Confirmation or any financial product outstanding in Your Account or any of Your financial products in the Participant's control or possession and apply the proceeds in reduction of Your liability to the Participant and You irrevocably authorise the Participant, each of its directors and employees as Your attorney to give instructions accordingly.

9.0 OTHER AUTHORITIES & ACKNOWLEDGEMENTS

- 9.1 If You have been referred to the Participant by a third party Referrer for the Participant to provide You with trading, settlement, clearing or other services, You authorise the Referrer to use Your information (including, but not limited to, details of orders placed and trades entered into by you)

to calculate any fees due to it from the Participant based on trades and services entered into by You by the Participant, and for use by the Referrer in marketing further services to You.

- 9.2 You authorise the Participant to disclose Your Tax File Number(s) or exemption details (if available in the Participant's records) to its related bodies corporate, ASX Settlement, trustees, sponsors of Your shareholdings and their agents and other issuers of securities for purposes relating to the securities in the trading account.
- 9.3 You acknowledge that if You do not provide a Tax File Number or exemption details to the Participant, tax may be deducted from Your dividends and distributions at the highest marginal tax rate (plus Medicare Levy).
- 9.4 You confirm either:
- You have consented to receiving the Participant's Financial Services Guide through the website or by email have received an electronic version of the Participant's Financial Services Guide; or
 - You have otherwise received the Financial Services Guide in person or by post or email.
- In either case, You further acknowledge that You have read and understood the Participant's Financial Services Guide prior to receiving any financial service from the Participant and prior to making any decision to invest.
- You may contact us at any time to request that a further copy of our Financial Services Guide be sent to You by post or email.
- 9.5 You acknowledge that You have read and understood the Participant's privacy policy contained on the Asgard Website. By conducting a trade through the Trading Site You acknowledge and consent to the collection, use and exchange of Your personal information as set out in the Customer Information and Privacy section of this document and the Participant's privacy policy (as amended from time to time).
- 9.6 If You wish to deal in Warrants, You agree that:
- You have received and read a copy of the explanatory booklet issued by the Australian Securities Exchange Limited (the ASX) in respect of Warrants;
 - You are aware that a Warrant has a limited life and cannot be traded after its expiry date;
 - You are aware that Warrants do not have standardised Terms of Issue and acknowledge that it is Your responsibility to become aware of the Terms of Issue of any Warrant in which You choose to invest;
 - You are aware that Warrants may be subject to adjustments after their initial issue. You acknowledge that it is Your responsibility to become aware of any adjustments which may have been made to any Warrant in which You choose to invest;
 - You are aware that admission to Trading Status of a Warrant does not imply that the ASX or the Securities Exchanges Guarantee Corporations Limited gives any guarantee or warranty as to the viability of the Warrant-Issuer or Guarantor; You acknowledge that failure of the Warrant-Issuer or the Guarantor (if applicable) to fulfil their obligations does not give rise to claim against the ASX, handling Market Participants or the Securities

Exchanges Guarantee Corporations Limited;

- You acknowledge that a Warrant Agreement Form is required to be completed and signed as a prerequisite to trading in Warrants.
- 9.7 You may only buy Financial Products which are partly paid or have instalment payments owing after settlement if you have completed a separate application form in respect of these Financial Products and we have accepted your application. The terms on which we provide services in respect of Partly Paid Securities are set out in these terms and conditions and the application form completed by you.

10.0 LIABILITY

- 10.1 You acknowledge that the systems used in the market or at the Participant are vulnerable to disruptions or failure, which may result in Your order not being executed or delayed according to Your instructions. You release the Participant from any loss, damage or liability that You may suffer or incur by reason of or in connection with any such disruption or failure provided that the Participant has acted in good faith and without wilful misconduct, dishonesty or negligence.
- 10.2 To the maximum extent permitted by law, You acknowledge that the Participant or a Related Entity will not be liable to You or anyone else for any loss or damage, whether direct or indirect, special, incidental or consequential or economic (including loss of profits), whether or not the Participant or a Related Entity knew or could have known of the possibility of such damage, where that damage arises from:
- delay, interruption, omission, failure, error or fault in the execution of Your instructions;
 - delay in the execution of Your instructions arising from a review of Your instructions by the Participant;
 - any error, omissions, non-receipt or invalidity in Your instructions;
 - any fault, error, defect or engineering of the Trading Site or the Participant's or a Related Entity's computer systems, or any delay, fault, failure in or loss of access to the Trading Site; and
 - any cause beyond the reasonable control of the Participant or a Related Entity, including but not limited to, failure of electronic or mechanical equipment or communication lines, unauthorised access or labour problems.
- 10.3 Nothing in sub-clauses 10.1, 10.2 and 10.4 shall exclude any implied condition or warranty the exclusion of which would contravene any statute or cause any part of these terms and conditions to be void or invalid.
- 10.4 To the maximum extent that liability can be limited, You agree that the Participant's or a Related Entity's liability is limited to the cost of resupplying its services.
- 10.5 Cboe and ASX operate different compensation funds that provide protection for retail investors in the circumstances defined in the Corporations Act and Regulations.
- The Cboe compensation fund covers losses resulting from defalcation or fraudulent misuse of your money, property or authority by a Cboe participant, subject to certain exceptions. In circumstances where your stockbroker is also an ASX participant, the following applies in relation to such a loss.

If you do not expressly or impliedly instruct your stockbroker, who is a Cboe participant, to execute your trading instructions on the Cboe market, and it is not reasonably apparent from the usual business practice of your stock broker which of the ASX or Cboe market the participant would use when acting for you, the Cboe fund will not apply.

In this case, the National Guarantee Fund (NGF) may apply, provided the loss is connected to the ASX market and is covered by the NGF claims provisions. The NGF claims provisions are set out in Division 4 of Part 7.5 of the Corporations Act and Regulations (for further information see the legislation and the NGF Information Booklet available at www.segc.com.au). Note that if your stockbroker is not an ASX participant, the NGF will not apply in any circumstance.

11.0 VARIATION AND TERMINATION

- 11.1 You may terminate Your Account by giving not less than five (5) Business Days written notice to the Participant, subject to all outstanding obligations being duly discharged.
- 11.2 The Participant may terminate Your Account at any time and without prior notice, subject to all outstanding obligations being fully discharged.
- 11.3 The Participant reserves the right to vary these terms and conditions and the services to which they relate to:
- add, change or remove any concessions or benefits;
 - adopt or implement any legal requirement, decision, recommendation, regulatory guidance or standard of any court, tribunal, or ombudsman service regulator;
 - accommodate changes in the needs or requirements of our clients, such as new product features or services;
 - correct errors, inconsistencies, inadvertent omissions, inaccuracies or ambiguities;
 - bring us into line with our competitors, industry or market practice or best practice in Australia or overseas; or
 - reflect changes in technology or our processes including our computer systems.

Each of the changes in paragraphs (a) to (f) is a separate right and this clause is to be read as if such change was a separately expressed right.

Without limiting our rights under paragraphs (a) to (f), we may from time to time vary any of the terms and conditions for reasons other than the ones mentioned above, acting reasonably in relation to ongoing compliance with a regulatory requirement of law; or where it is necessary to protect the Participant's interests (e.g. due to unforeseen events).

Any such variation shall apply to all dealings between You and the Participant on and from the day on which the variation takes effect. If the Participant varies these terms, conditions and/or services, the Participant will give not less than seven (7) days notice to You at the postal or electronic address last notified to the Participant by you, or at the Asgard Website.

Also the Participant may use our IVR facility to notify You of amendment(s), and provide information about where You can access full details of the amendment(s).

- 11.4 However, the Participant does not need to give You advance notice where any variation of these terms and conditions is required to comply with a Prescribed Requirement or is necessitated by an immediate need to restore or maintain the security of the system or individual accounts.

12.0 NOTICE

- 12.1 Any notice given, or demand made by the Participant, may be made by post or by email to the last notified address, facsimile number or email address as the case may be. Such notice or demand shall be deemed to have been received.
- if given by post will be deemed to have been received on the fifth Business Day following posting;
 - when sent by email, one hour after the Participant sends it; and
 - if given to us by email will be deemed to have been received upon being opened by us.
- 12.2 The Participant at its discretion may send any Confirmation in relation to any transaction on Your behalf by:
- pre-paid post to Your last notified address. Such Confirmation shall be deemed to have been received on the Business Day following posting; or
 - email transmission or electronic data interchange (including over the World Wide Web) to Your last notified email address when such address or number is provided by You. You acknowledge that You consent to receiving Your Confirmations by such electronic communication. You further acknowledge that the conditions set out in Part 3.4 of the ASIC Market Integrity Rules apply to such Confirmations. Any Confirmation sent to You by such electronic communication shall be deemed to be received on the day it was sent.

13.0 DISPUTE RESOLUTION

- 13.1 Any disputes between You and the Participant will be referred to the Australian Financial Complaints Authority (AFCA) if the dispute is within the jurisdiction of AFCA. If the dispute is not within the jurisdiction of AFCA, or cannot be settled through its processes, the parties will appoint a mediator and attend mediation in order to resolve the dispute.

14.0 APPLICABLE LAW

- 14.1 This Agreement is subject to the laws of the State of New South Wales, and the parties agree to submit to the non-exclusive jurisdiction of the courts of New South Wales, but the Participant may commence proceedings in another competent jurisdiction.

15.0 GUARANTEE & INDEMNITY

- 15.1 The Guarantor unconditionally and irrevocably guarantees the payment to the Participant of the Guaranteed Money.
- 15.2 If You do not pay the Guaranteed Money on time and in accordance with these terms and conditions, the Guarantor agrees to pay the Guaranteed Money to the Participant on demand from the Participant.
- 15.3 The Participant need not make a demand upon You to pay the Guaranteed Money or take action to enforce its rights

against You before the Participant claims from the Guarantor.

- 15.4 The Guarantor makes the same declarations, agreements, authorisations and undertakings, and enters into the same agreement with the Participant as if the Guarantor was named in these terms and conditions.
- 15.5 The guarantee in this clause is a continuing obligation and extends to all of the Guaranteed Money.
- 15.6 The Guarantor unconditionally and irrevocably indemnifies the Participant and must pay the Participant on demand for any loss or costs the Participant suffers or incurs if:
- You do not, are not obliged to, or are unable to, pay the Participant the Guaranteed Money in accordance with these terms and conditions; or
 - the Guarantor is not obliged to pay the Participant an amount under the guarantee in clause 15.1; or
 - the Participant is obliged, or the Participant agrees, to pay an amount to a trustee in bankruptcy, liquidator or controller (as defined in the Corporations Act) (or to a bankrupt person or insolvent company) in connection with a payment by the Guarantor or You.
- 15.7 The Guarantor acknowledges that it is responsible for making itself aware of Your financial position.
- 15.8 The indemnity in this clause 15 is a continuing obligation, independent of the Guarantor's other obligations under these terms and conditions. It continues even after those obligations end. It is not necessary for the Participant to incur expenses or make payment before enforcing a right of indemnity conferred by this guarantee and indemnity.
- 15.9 Rights given to the Participant under this guarantee and indemnity and the Guarantor's liability under it are not affected by any act or omission by the Participant or anything else that might otherwise affect them under law.
- 15.10 Under law, a trustee in bankruptcy, a liquidator or a controller (as defined in the Corporations Act) may ask the Participant to refund a payment the Participant have received in connection with these terms and conditions or Guaranteed Money. To the extent that the Participant is obliged, or agrees, to make a refund, the Participant may treat the payment as if it had not been made to the Participant. The Participant is then entitled to exercise their rights against the Guarantor under this guarantee and indemnity as if the payment had not been made. This applies despite anything in this guarantee and indemnity or the fact that the Guarantor may have ended it.
- 15.11 The Guarantor must pay all amounts due under the guarantee and indemnity in full without setting off amounts the Guarantor believes the Participant owes to You or to the Guarantor and without counterclaiming amounts from the Participant. 15.12 All payments the Guarantor makes must also be free of any withholding or deduction for taxes, unless the law prevents this.
- 15.12 The Participant may set off any money it owes the Guarantor against any money the Guarantor owes the Participant under the guarantee and indemnity in these terms and conditions.

17.0 SEVERANCE

- 17.1 If any part of any of these terms and conditions is found to be void or unenforceable for unfairness or any other reason (for example, if a court or other tribunal or authority declares it so), the remaining parts of these terms and conditions will continue to apply as if the void or unenforceable part had never existed.

TERMS AND CONDITIONS OF PARTICIPANT SPONSORSHIP AGREEMENT

EXPLANATION OF EFFECT OF PARTICIPANT SPONSORSHIP AGREEMENT

The Terms and Conditions of Participant Sponsorship Agreement below constitute a contract that you enter into with us, under which You name us as Your CHESS sponsor and authorise us to create a CHESS Participant Sponsored Holding in your name and to trade on it as you instruct. This means that we control or 'sponsor' Your holdings of financial products on CHESS.

Clearing House Electronic Subregister System (CHESS) is the computer system used by ASX Settlement to record shareholdings and manage the settlement of share transactions.

Being CHESS sponsored by us means you can buy and sell shares more quickly than if your shares were 'issuer sponsored', and You can buy shares without providing a deposit if you have sufficient holdings.

You can also discuss the Terms and Conditions of Participant Sponsorship Agreement with us. To do so, please contact us on the details provided in the header of this document or on the Trading Site.

- 8.2 The Participant Sponsored Holder acknowledges that if a transfer is taken to be effected by the Participant under Section 9 of the Rules and the Source Holding for the transfer is a Participant Sponsored Holding under the Sponsorship Agreement, then:
- a. the Participant Sponsored Holder may not assert or claim against ASX Settlement or the relevant Issuer that the transfer was not effected by the Sponsoring Participant or that the Sponsoring Participant was not authorised by the Participant Sponsored Holder to effect the transfer; and
 - b. unless the Transfer is also taken to have been effected by a Market Participant of an Approved Market Operator or a Clearing Participant of ASX Clear, the Participant Sponsored Holder has no claim arising out of the Transfer against the compensation arrangement applicable to the Approved Market Operator or the Clearing Participant of ASX Clear under the Corporations Act and Corporations Regulations.

- 8.4 In the event that the Participant is suspended from the Settlement Facility, subject to the assertion of an interest in Financial Products controlled by the Participant where the assertion is made, by either a liquidator, receiver, administrator or trustee of that Participant:
- a. the Participant Sponsored Holder has the right, within twenty (20) Business Days of ASX Settlement giving notice of suspension, to give Notice to ASX Settlement requesting that any Participant Sponsored Holdings be removed either:
 - i. from the CHES Subregister; or
 - ii. from the control of the suspended Participant to the control of another Participant with whom they have entered into a valid Sponsorship Agreement pursuant to Rule 12.19.10; or
 - b. where the Participant Sponsored Holder does not give notice under clause 8.4(a), ASX Settlement may effect a change of Controlling Participant under Rule 12.19.11 and the Participant Sponsored Holder will be deemed to have entered into a new Sponsorship Agreement with the substitute Participant on the same terms as the existing Sponsorship Agreement. Where a Participant Sponsored Holder is deemed to have entered into a Sponsorship Agreement in accordance with Rule 7.2.3(b)(ii), the new Participant must enter into a Sponsorship Agreement with the Participant Sponsored Holder within ten (10) Business Days of the change of Controlling Participant.
- 8.5 The Participant Sponsored Holder acknowledges that before the Participant Sponsored Holder executed the Agreement, the Participant provided the Participant Sponsored Holder with

- 8.7 The Participant Sponsored Holder acknowledges that in the event of the death of the Participant Sponsored Holder, this Sponsorship Agreement is deemed to remain in operation, in respect of the legally appointed representative authorised to administer the Participant Sponsored Holder's estate, for a period of up to three calendar months subsequent to the removal of the Holder Record Lock pursuant to Rule 8.16.3, unless the Participant Sponsored Holder's legally appointed representative elects to remove the Participant Sponsored Holdings from the CHESSE Subregister.
- 8.8 (Joint Holdings Only) The Participant Sponsored Holder acknowledges that in the event of the death of a joint Participant Sponsored Holder, all Holdings under the joint Holder Record must be transferred into new Holdings under a new Holder Record in the name of the surviving Participant Sponsored Holder, and the Sponsorship Agreement remains valid for the new Holdings under the new Holder Record.
- 8.9 (Joint Holdings Only) The Participant Sponsored Holder acknowledges where the Sponsorship Agreement is in respect of a joint Participant Sponsored Holding, in the event of the Bankruptcy of one of the Holders, the Controlling Participant will:
- a. unless the legally appointed representative of the bankrupt Participant Sponsored Holder elects to remove the Holdings from the CHESSE Subregister, establish a new Holder Record in the name of the bankrupt Participant Sponsored Holder, transfer the interest of the bankrupt Participant Sponsored Holder into new Holdings under the new Holder Record and request that ASX Settlement apply a Holder Record Lock to all Holdings under that Holder Record; and

- 9.0 CHANGE OF CONTROLLING PARTICIPANT**
- 9.1 If the Participant Sponsored Holder receives a Participant Change Notice from the Controlling Participant of the Participant Sponsored Holding and the Participant Change Notice was received at least twenty (20) Business Days prior to the date proposed in the Participant Change Notice for the change of Controlling Participant, the Participant Sponsored Holder is under no obligation to agree to the change of Controlling Participant, and may choose to do any of the things set out in clauses 9.2 or 9.3.
- 9.2 The Participant Sponsored Holder may choose to terminate the Agreement by giving Withdrawal Instructions under the Rules to the Controlling Participant, indicating whether the Participant Sponsored Holder wishes to:

 - b. transfer its Participant Sponsored Holding to one or more Issuer Sponsored Holdings.
- 9.3 If the Participant Sponsored Holder does not take any action to terminate the agreement in accordance with clause 9.2 above, and does not give any other instructions to the Controlling Participant which would indicate that the Participant Sponsored Holder does not agree to the change of Controlling Participant then, on the Effective Date, the Agreement will have been taken to be novated to the New Controlling Participant and will be binding on all parties as if, on the Effective Date:
- a. the New Controlling Participant is a party to the Agreement in substitution for the Existing Controlling Participant;
 - b. any rights of the Existing Controlling Participant are transferred to the New Controlling Participant; and
 - c. the Existing Controlling Participant is released by the Participant Sponsored Holder from any obligations arising on or after the Effective Date.
- 9.4 The novation in clause 9.3 will not take effect until the Participant Sponsored Holder has received a notice from the New Controlling Participant confirming that the New Controlling Participant consents to acting as the Controlling Participant for the Participant Sponsored Holder. The Effective Date may as a result be later than the date set out in the Participant Change Notice.

Best Execution Policy:

Share Trading is a service provided by Australian Investment Exchange Ltd (the Participant, we, us, our) ABN 71 076 515 930 AFSL 241400, a Market Participant of Australian Securities Exchange Limited (ASX) and Cboe Australia Pty Ltd, a clearing participant of ASX Clear Pty Limited and a settlement participant of ASX Settlement Pty Limited.

As a Market Participant, Australian Investment Exchange Limited has an obligation to obtain the best outcome for its clients when handling and executing client orders, the Best Execution Obligation. This disclosure sets out how the Participant meets its Best Execution Obligation.

The Participant will take all reasonable steps to obtain the best possible outcome for its clients. Best outcome means different things for different clients. For retail clients best outcome will mean best total consideration – in other words, the purchase or sale price after brokerage and GST. If you are a retail client, this will mean that the Participant will always attempt to obtain the best total consideration for your order unless you instruct us otherwise.

For wholesale clients, best execution will include price, costs, speed and likelihood of execution and any other relevant order consideration. The Participant will generally give price a higher relative importance when obtaining the best outcome but may also take into consideration and give priority to a range of different factors, including the requirement for timely execution, the liquidity of the market, potential price impact and the size of the order.

For both retail and wholesale client orders, we will choose a venue or venues that satisfy our Best Execution Obligation.

Execution venues considered by the Participant when executing orders are ASX TradeMatch, ASX CentrePoint and Cboe Australia Pty Ltd.

Where part or all of an order does not trade immediately, the remainder of that order will be sent to one of the available execution venues. During the opening and closing phases of the trading day, the Participant will send orders to participate in the ASX TradeMatch opening and closing auctions. The closing price of a security will be determined by the ASX TradeMatch closing price. When an execution venue is unavailable (for example, due to a market outage, differing trading hours for trading venues or outside of trading hours), the Participant may execute existing and new orders on any remaining open execution venues provided we believe that our Best Execution Obligation can be achieved in taking this action.

Your orders can be executed via different methods including by an automated order processing system or by human intervention. Your orders will be treated in accordance with the relevant Market Operating Rules and ASIC Market Integrity Rules.

Where we receive specific instructions from you, we will take reasonable steps to execute those instructions, even though they may not achieve the best outcome for you, provided they do not conflict with other obligations under the Corporations Act, ASIC Market Integrity Rules or other relevant laws. Wholesale clients may provide standing instructions or execution requirements which can include instructions to opt-out of our Best Execution procedures.

On receipt of a reasonable request by a client we will provide the client with evidence that the order has been executed in accordance with our policies and procedures. On receipt of a request we will advise the client of the estimated time to provide the necessary information.

The Participant will periodically review and monitor its Best Execution procedures, practices and connections to alternate trading venues. We will annually review any opt-out or standard instructions received from a wholesale client.
